

STOP AND THINK!

Remember, falls from heights may result in serious injury or death! The risk of a fall while installing, using, or removing a treestand cannot be eliminated.

**ALWAYS
WEAR A
FULL-BODY
HARNES**
and stay
connected
to the tree!

You must understand how to properly assemble and safely use your harness and treestand products before using them! Read the manufacturer's instructions before using the product. If you have any questions, contact the manufacturer.
